good practices

The Social Service for Students

International Partnership Project

Origin dates: 28 month – October 2019 – January 2022

Modified dates: 36 month – October 2019 – September 2022

» Create a social service system for students as an institutional development

- 6 Partners – 5 Schools
- international mobilities (travels)
- community service activities - programs
- development of intellectual outputs

„Don't teach, **EDUCATE**”

What the project is about?

- Becoming a reference institution - **model school / school model**
- **Volunteering** should be a comprehensive **educational-pedagogical tool**
- Create a **change of mindset and attitudes**
- Strengthening **social responsibility** - social sensitization
- **Sharing of good practices** developed and tested internationally
- Creating 5 **intellectual outputs** (international joint work)

FRAME: **SERVICE LEARNING**

PEDAGOGICAL METHOD

Different way of teaching

- experience-based learning
- extra-curricular activities
- peer learning

KEY TASKS

- **student workshops**
- organisation of international **meetings**
- **training** for pupils and teachers
- student **voluntary activities**
- development of **pedagogical teaching materials**

Learning by doing....

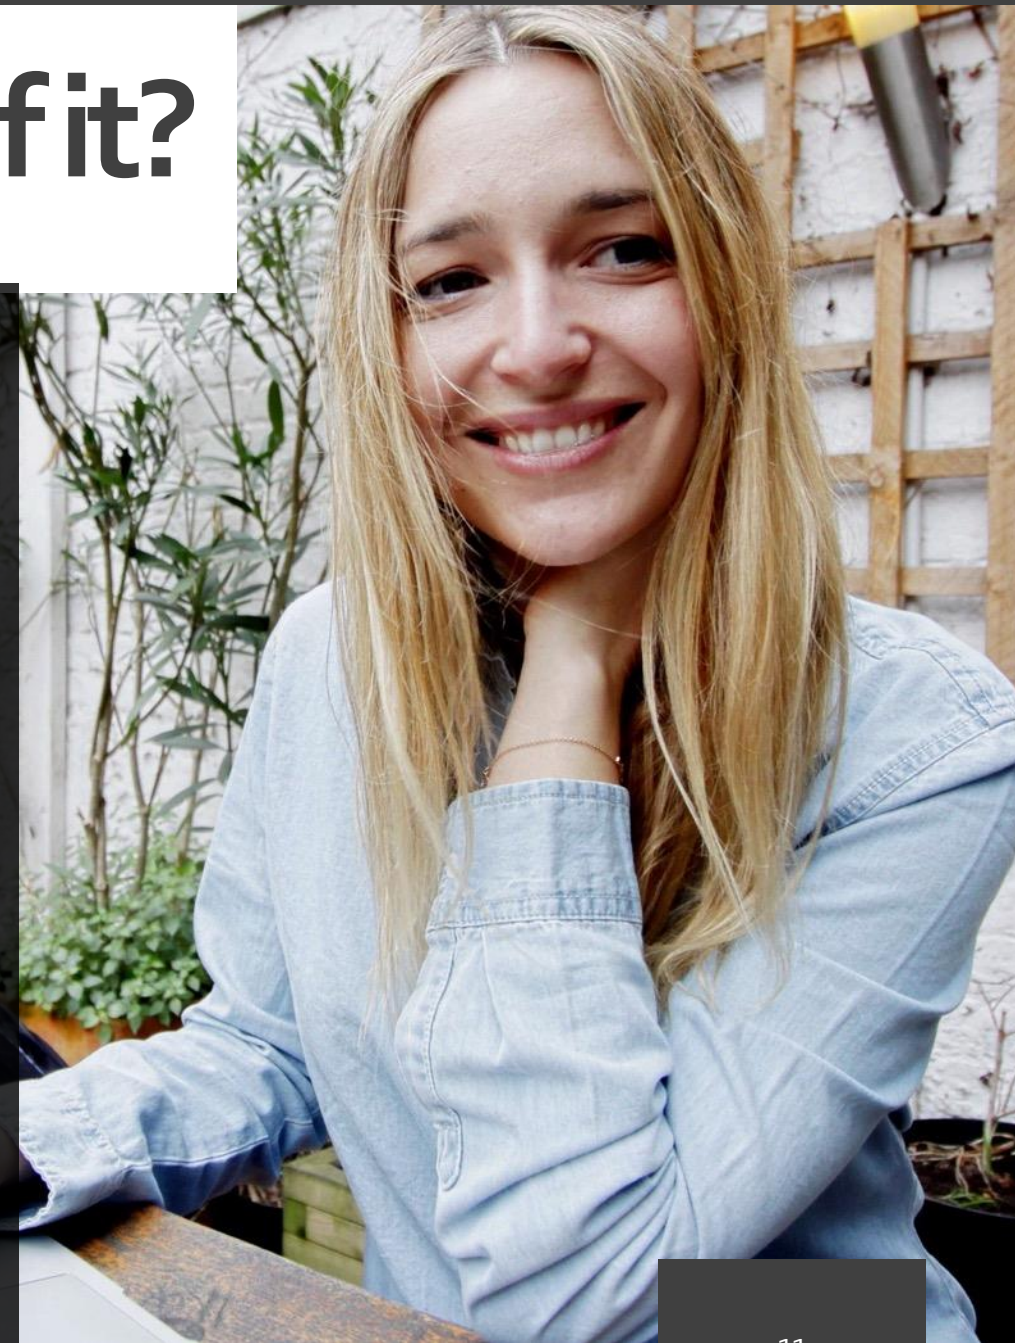

Intellectual outputs

01. **Guideline - Protocol** for institutions
02. **Manual for teachers** (pedagogical aid)
03. **Volunteer management platform** (websiteside)
<http://europa2000.halation.hu/>
04. **Training materials** - training modules
05. Quality Assurance **Standardisation** for Hosts

Why it is worth to be part of it?

- Exchange of **experiences** - **team work**
- Institutional **innovation** - **development**
- Social **competence development**
- Foreign **language development**
- **Travel opportunities** abroad
- A million other **experiences....** 😊

Thanks for your Attention!
